

Moderator Training

Course Description

This generic moderator course is for people who conduct internal or external moderation of outcomes-based assessments. The assessments could be in terms of outcomes defined in a number of documents, including but not limited to unit standards, exit level outcomes, assessment standards, curriculum statements and qualifications. This unit standard will contribute towards the achievement of a variety of qualifications particularly within the field of Education Training and Development Practices and Human Resource Development.

Those who have achieved this programme will be able to moderate assessments in terms of the relevant outcome statements and quality assurance requirements. The candidate-moderator will be able to use the prescribed Quality Assurance procedures in a fair, valid, reliable and practicable manner that is free of all bias and discrimination, paying particular attention to the three groups targeted for redress: race, gender and disability.
